ULTRASONIC LIPO

THE FASTEST WAY TO LOSE WEIGHT

What is ultrasonic lipo?

This form of weight loss treatment is designed to give you the body you want without the pain and cost of having surgery. For thousands of us the difficulties we face when it comes to fat loss are all too familiar. With our unique form of slimming treatment we are able to specifically target the areas that affect you most whether they are;

-The upper arm
-Stomach
-Hips
-Thighs
-Waistline
-Abdomen
-Men's chest

Before

After

The benefit of ultrasonic lipo

For some of us no amount of dieting or exercise can help to shift those last few pounds, and for those people our specialist form of fat loss treatment is the perfect answer. Some of the benefits of ultrasonic lipo can include;

-Less body fat
-Improved body shape
-NO recovery period
-Enhanced confidence and self esteem
-The freedom and confidence to wear whatever clothes you want
-Takes just 40 minutes

Ultrasonic lipo uses powerful high frequencies which target these stubborn fat areas and break down the fat cells which can then be passed out through the body resulting in a greatly improved body shape and weight loss. At Slim N Tone we realise that no two people are the same and that is why through our free in-depth

consultations we will work with you to come up with a tailor made combination of slimming treatments to maximise your weight loss results.

How does it work?

Slim N Tones Ultrasonic lipo uses the power of ultra sound waves which can be finely targeted to remove the fat cells permanently from any area of the body. As fat cells can't multiply once they have been targeted with our machine they will be unable to return, resulting in an immediate fat loss reduction. Our specialist technology will target just the fat cells and leave everything else untouched. Unlike surgery there is NO recovery period involved which means you can even have a session during your work break!

Where does the fat go?

So you have had your slimming treatment and the fat cells have been removed leaving you with a fabulous new body shape, but where does the fat go? The cells are simply taken via the bloodstream to the liver where they are then broken down and in some cases are used as a source of energy.

Everyone wants to maintain their youthful looks and have the body shape of their dreams and with Slim N Tone we can help you to achieve this!

Inadequate - report slams child services

BY SOPHIE SCOTT
sophie.scott@hpnorthants.co.uk

A DAMNING report has criticised how 'weaknesses' in child services within the county have not effectively protected young people from harm.

The highly critical inspection from Ofsted into child protective services in Northamptonshire has given the service the lowest possible rating - inadequate.

The findings, revealed yesterday, said that there are 'systemic weaknesses' and many services are 'process driven' rather than focused on the needs of children who are left 'voiceless'.

Too many child protection enquiries are 'terminated prematurely' and the systems to protect children who are at risk of sexual exploitation and trafficking is not 'robust'.

There are delays and discontinuities in all work and there has been an 'extensive turnover' in

staff at all levels, Ofsted said. Children had been 'inappropriately' left in overnight police custody as the local authority did not prioritise finding suitable accommodation.

Ofsted has told the county council and its partners they must immediately make sure no youngster is detained in police custody without good reason.

When the inspectors visited last month there were 438 children subject to child protection plans - a 'sharp' fall from the previous year, but one which has no 'appropriate explanation'.

The council has accepted the findings 'unreservedly' and has announced a programme to bring about immediate improvements, including a review of all decisions and supporting front-line social workers with more senior staff on complex cases.

Kevin Crompton, who was chief executive at Haringey Council after the Baby P case, has been appointed to the safeguarding

board, and three new social workers have been appointed.

Chief Executive Paul Blantern insisted that the service had money invested in it, rather than cut, but the report stated that some services had been 'significantly reshaped' to address 'budget economies'.

He added: "We are on an ongoing journey.

"This gives us something to start and from which we can build further improvements.

"There is no shying away from anything that Ofsted said."

Northamptonshire Police's Assistant Chief Constable Paul Phillips said: "This is not about single agencies working in isolation.

"We will be making changes to address the issues highlighted."

Ben Gowland, CEO of NHS Nene Clinical Commissioning Group, said: "There is undoubtedly room for improvement in the delivery of children's safeguarding in Northamptonshire."

Dad hailed as a hero after rescuing his kids from fire

BY LAWRENCE JOHN

lawrence.john@hpnorthants.co.uk

A DAD is being hailed as a 'hero' after he saved his three children from a blazing inferno.

Anthony Eales rescued his two boys and daughter from a fire which broke out inside their home in Arbour View Court in Thorplands, Northampton, at 8.25pm on Monday.

The alarm was raised by six-year-old Jayden Eales (who has cerebral palsy) and Anthony told him to get out of the house.

He then went back to rescue two-year-old Kayla, who also has cerebral palsy, and nine-year-old Sean.

Jayden has been released from hospital but his brother and sister are in Birmingham Children's Hospital where they are being treated for smoke inhalation and minor burns.

Anthony, who is in hospital in Nottingham, is currently sedated due to his burns and is expected to be in this state for another week.

His brother-in-law, Lee

AFTERMATH: The family's house in Thorplands, Northampton, the day after the fire broke out

Eastaff, said: "The doctors have said if they continue to make the progress they have then they will make a full recovery."

"There have been a lot of messages on Facebook saying Anthony should be given a bravery medal for what he did."

"It could have been far worse without him doing what he did."

"It doesn't bare thinking about if he had not done what he did."

"I am glad we do not have to cross this line."

Lee, who lives five minutes away in Westone did not see the fire, but followed the ambulance to hospital to see his four relatives.

He added: "It has been a very worrying 24 hours with members of our family in

Nottingham, Birmingham or Northampton."

Neighbour Jackie Simms said: "I saw flames coming out of the side window."

"Everyone has been shocked by what happened. I was putting my eldest to bed when my partner told me about the fire."

"My own children have been asking a lot of questions about it."

APPROVAL: Northampton North MP Michael Ellis and Northampton South MP Brian Binley

Budget proves a step in the right direction for MPs and Carlsberg

THE Budget 2013 has been warmly welcomed by two of the county's Conservative MPs along with Northampton's main brewery.

Both Northampton North MP Michael Ellis and Northampton South MP Brian Binley felt the Budget would be good for the country.

Mr Ellis said: "I think this is an excellent budget and it will reward those people who want to work hard and get on."

"Fuel duty has been frozen again which means it is at its lowest level for 20 years."

"It will now cost people £7 less to fill up their tank than under Labour."

"And with the £10,000 personal allowance being introduced it means 2.7m will not pay tax at all."

Northampton South MP Brian Binley said: "Everybody knew this would be a very difficult budget."

"In other words we were carrying a deficit which we have been fighting to get down."

"However, I have been calling for a number of ideas which the government could use and that delights me."

"And I have been writing for some time the need to create a sense of wellbeing."

"We now have the lowest level of business tax in G7. This will give greater encouragement to invest in making more jobs within small and medium-size businesses."

Bruce Ray, corporate affairs director at Carlsberg in Northampton, said: "The chancellor's announcement about the abolition of the beer duty escalator and the reduction of 1p from beer duty is fantastic news."

"The abolition of the beer duty escalator will save jobs and preserve pubs, which are at the heart of our communities."

Council secures money to save town's heritage

NEARLY £400,000 is set to be invested in preserving a much loved part of our town's heritage.

Northampton Borough Council has successfully applied for almost £200,000 in grant funding to carry out urgent repairs to the roof at Delapre Abbey. The grant will be matched by the council investing a further £200,000 in the project that will see urgent repairs made to the historic building.

The money has been awarded from English Heritage's Historic Buildings, Monuments and Designed Landscapes Scheme. It is made available for conserving and restoring the country's most significant historic assets.

Specialists will now start working on detailed plans for the repairs.

Most of the work will be to fix the roof of the main building.

It is essential work that will prevent further leaks into the building which has already been damaged inside.

There will also be some urgent structural repairs to the north wing of the building.

Councillor David Mackintosh, leader of Northampton Borough Council, said: "The restoration of Delapre Abbey is something we want to see. The Abbey is an important part of our town's future and a link to our rich heritage. So we are exploring every opportunity to attract the funding and investment we need to bring this unique building back into use, as something we can be proud of and a regional attraction."

Duvet holding thieves raid shop for cash

TWO men stole cash and cigarettes from a Co-Op using a duvet as a 'swag bag'.

The offenders went into the store in Rothersthorpe Road, Northampton, at about 6am on Saturday and threatened a member of staff.

They then jumped over the counter, stole a substantial number of cigarettes from behind the till, which they put in the duvet cover, and forced open the till and took cash.

It is not the first time that cigarettes have been stolen from stores in this way.

Last February thousands of pounds worth of cigarettes were taken within an hour from two different stores in Northampton.

In both of those occasions the offenders used sledgehammers to gain entry and put the stolen goods in a duvet cover.

They made off in a dark coloured Audi A5.

In this most recent robbery, the first offender is described as a slim white man wearing a red hooded top, with the hood up, and grey jeans.

The other is described as a white man of medium build, wearing a black hooded top, again with the hood up.

The men are believed to have travelled on a Yamaha motorbike with silver mudguards and to have left in the direction of Briar Hill.

Witnesses to this incident, or anyone with information, should call Police on 101.

Alternatively, information can be given anonymously to Crimestoppers on 0800 555 111.

ANGER: Bobbi Rickard-Smith feels she has lost her independence after her wheelchair was stolen

Woman's fury after wheelchair stolen from car

BY SOPHIE SCOTT
sophie.scott@hpnorthants.co.uk

A WOMAN who is reliant on her wheelchair is furious after callous thieves took her 'independence' from her.

Bobbi Rickard-Smith's custom-made chair was in her car - parked outside her house in Moulton Road, Holcot - when it was taken over the weekend.

Miss Rickard-Smith

suffers from the hereditary disease Keritaderma Striata, which mainly affects her feet, and after an accident in 2004 was confined to a wheelchair.

Miss Rickard-Smith said: "This isn't a luxury item. It's my independence.

"I am going to have to work exceptionally hard to be able to afford a new one."

The mother uses a different wheelchair inside the house but keeps the

bespoke purple Quickie chair in her vehicle for when she goes out.

She added: "I just cannot think who would want to take something like this. It is not a big screen TV.

"All I can think is that it has been stolen to order or some kids were messing around. Nothing else in my car, including my SatNav, was taken."

Anyone with information should call police on 101.

Two-year-old 'stable' after falling into lake

BY LAWRENCE JOHN
lawrencejohn@hpnorthants.co.uk

A TWO-YEAR-OLD is in a 'stable' condition after falling into a lake at Billing Aquadrome.

The little girl, who was originally taken to Northampton General Hospital, was transferred to Leicester Royal Infirmary.

Since she has been moved her condition has improved but she still requires further specialist care.

The toddler, from Northampton, went missing for a short period at the holiday park on

March 10 at 4.45pm before she was found in the water.

It is understood she had wandered away from her family when the accident happened.

Staff at Billing Aquadrome administered CPR at the scene before paramedics arrived.

Northamptonshire Police said they were treating the incident as a tragic accident.

A spokesman for Pure Leisure Group, owner of the park, said he was pleased the little girl was getting better and is now in a stable condition in hospital.

He said: "We are very pleased the little girl is out of immediate danger. And as

always are thoughts are with the family at this time.

"At the time of the incident our staff did assist the girl and they acted very well.

"We certainly do carry out a review if anything happens.

"We have an internal process and if we have to we will work with other agencies so we can all improve.

"In a different example we worked with multi agencies when we had the recent flood.

"When we do have an incident like this then we look at all our procedures and this helps keep us fit for purpose."

RESCUED: The German Shepherd dog was left tied to railings in Abington Park, Northampton

'Abandoned' dog tied to park railings

A GERMAN Shepherd was left tied to railings in a Northampton park.

The dog was found on Monday, March 3 in Abington Park by a concerned member of the public - near to the toilets and children's play area.

The RSPCA was called and an inspector removed the canine and took it to the RSPCA Woodside Animal

Shelter in Leicester. The inspector has put up found posters in the area - but as yet no owner has come forward.

RSPCA Inspector Damian Wooliscroft said: "This female dog is around five to seven years old. She is currently being kept in our kennels but it is clear she is not used to this kind of environment.

"At first I thought because she is healthy and such a lovely dog she was probably just lost. But as more time passes and no owner has come forward, it makes me think she was abandoned.

"Anyone who has any information regarding who may own this dog, or if you are the owner, please call the RSPCA inspector appeal line on 0300 123 8018."

Tenants to have their say about council landlord

COUNCIL tenants and leaseholders are being invited to find out more about their landlord.

Northampton Borough Council is inviting people to learn about how they can scrutinise the housing services the

authority provides. Officers will be in the One Stop Shop at the Guildhall in Northampton on Wednesday, March 27 between 1.30pm and 6.30pm.

They will be providing information about the scrutiny

panels and how residents can get involved.

Crashes bring county road death toll to six this year

TWO people have died on the county's roads in as many days.

This brings the number of people who have been killed in collisions up to six since January.

West Hunsbury woman Sarah Roe, 32, from Lister Drive, died at the scene of a crash on the B4525 Welsh Lane,

shortly after 7am on Monday.

Her blue Fiat Punto was travelling along the road towards Banbury when it was involved in a single vehicle collision and came to a stop on the side of the route.

A blue Honda Accord, which was travelling in the same direction, then

collided with her vehicle - the driver of that car suffered minor injuries.

On Sunday, a 23-year-old died when the car he was a passenger in collided with a vehicle going in the opposite direction on the A6.

He was named by police as Ashley James

Circuit of Farnham Drive, Rushden.

The driver of the VW Bora he was travelling in, a 23-year-old local man, was arrested on suspicion of causing death by dangerous driving and has been released on bail. Anyone with information should call 0800 174615.

Town to get 'Boris Bikes' hire scheme

BY LAWRENCE JOHN

lawrence.john@hpnorthants.co.uk

THE 'Boris Bikes' cycle hire scheme looks to be wheeling its way into town.

The pioneering urban bicycle-initiative is set to be launched in Northampton and will be similar to the one championed in the capital by London Mayor Boris Johnson.

Northamptonshire County Council and Northampton Borough Council have joined together to develop the project.

People would become members of the scheme and enter a PIN code to release a bike from sites around the town, returning it when they have completed their journey.

Charges would vary depending on the length of the bike ride.

The proposed locations for docking stations across the town include the University of Northampton campus in Boughton Green Road, the railway station, the entrance to Becket's Park, the skatepark in Midsummer Meadow, Brackmills and the new bus interchange in the town centre.

PEDAL POWER: Councillors Jim Harker and David Mackintosh

Councillor Jim Harker, leader of the county council said: "This sort of scheme, which was pioneered in London, has proved enormously popular and makes a huge difference in easing congestion and associated pollution on our roads. I'm very excited about seeing a similar initiative in Northampton and I'm delighted we're able to work with colleagues at the borough council."

Cllr David Mackintosh, leader of Northampton Borough Council, added: "Cycle-hire

schemes are very popular and introducing one in Northampton will bring the healthy benefits of cycling for local residents."

Work is currently being carried out to finalise the details of the cycle hire scheme, including costs.

The bikes will be available for hire later this year.

Woman arrested after gun and ammo found

A FIREARM and ammunition were discovered by police executing drugs warrants.

More than 50 officers carried out five warrants in Northampton and Kettering last week, after

15 raids in the north of the county. Officers recovered one firearm and live ammunition at a house in Northampton. After the items were made safe a 21-year-old woman was arrested for pos-

session of a section one firearm.

She has been released on police bail pending further enquiries.

Two more arrests were made in Kettering and property was seized.

Tweet success as cops highlight alcohol harm

BY SOPHIE SCOTT
sophie.scott@hpnorthants.co.uk

THE success of a 'tweeta-thon' about alcohol-related crime in the county could see similar events taking place in the future.

Northamptonshire Police took to social network site Twitter from 10pm on Saturday to highlight the impact alcohol has on policing activity.

Officers, special constables and staff primarily focused on incidents linked to alcohol using the hashtag, a search function on the site, #alcoholharm - which allowed users to track all tweets.

Much of the policing activity was required in Northampton town centre and Wellingborough Road where potential drink drivers were stopped and fights were broken up.

Several 999 calls were also received for help with domestic incidents, the majority of which were booze fuelled.

Chief Inspector Dave Spencer was tweeting from @dave_spencer and @Op_challenge.

He said: "What really surprised me was the response we had from the public."

"The majority were really positive."

"It was quite a quiet night because of the weather but we still made a number of arrests. While we do primarily look at the crime involved we also hoped to show how people can still drink responsibly and this is something pub landlords were keen for us to get out too."

"I think considering how well this has all gone it is definitely something that we could be do on a more regular basis."

"We have some really good people tweeting on behalf of the force and I think it is really boosting public confidence and interaction with us."

During the night more than 30 arrests were made and two officers were assaulted.

RESTORATION: From left, residents Alan and Jan Andrew with Cllr Stephen Clarke next to the new gates

New gates will give lease of life to vandalised hut

A VANDALISED brick hut by the canal tunnel entrance in Blisworth has been transformed.

Thanks to support from South Northamptonshire Council, the Blisworth Canal Partnership has commissioned a pair of gates to secure the building as part of its

restoration for use by community groups. The gates were taken from Stoke Bruerne, where they have been made by blacksmith Bob Nightingale, to Blisworth at the end of the tunnel where they will be installed at the entrance to the hut.

The gates were trans-

ported aboard the historic working narrow-boat, Greenock, which is owned and helmed by district councillor Stephen Clarke, ward member for Blisworth and Roade.

Councillor Ian McCord, portfolio holder for resources and change management, said: "We

are delighted to have been able to help fund such a great project that will not only make a real difference to the appearance to this part of the canal once these magnificent gates have been put in place, but also allow local groups to use the site for community activities."

'Cronyism' jibe as PCC appoints staff

BY SOPHIE SCOTT

sophie.scott@hpnorthants.co.uk

THE Police and Crime Commissioner has again been accused of 'cronyism' after he hired people on £65k salaries who worked on his election campaign.

Adam Simmonds this week announced that he was to appoint three 'Assistant Commissioners' - all of whom have been working in his office on an interim basis since he took office in November.

Last year, shortly after Conservative Mr Simmonds was elected, concerns were raised by Councillor Brendan Glynnane, leader of the Liberal Democrats, at Northamptonshire County Council, that the appointments were 'pure cronyism'.

Each of the management team will be on a salary of £65,000 a year.

Iain Britton, who worked in

social care and probation, is Assistant Commissioner for Justice; Kathryn Buckle, who was Mr Simmonds' political agent, is Assistant Commissioner for Governance and Peter Heaton, who led the PR campaign during the election, is Assistant Commissioner for Public Involvement.

The trio had all been undertaking those roles since November. Their jobs were advertised.

Cllr Glynnane, who is also a member of the Police and Crime panel, has slammed the decision.

He said: "It really is unbelievable. The Conservative Police and Crime Commissioner has given his campaign staff permanent taxpayer funded jobs at £65,000 a year."

"Given the outcry when he doled out the positions on an interim basis you'd have thought he would have learnt."

"This is pure cronyism."

"What makes matters worse is that in his budget he reduced the funds available for frontline policing."

"We could have had 45 more police officers on the street."

"Instead we have Conservative party political activists, with no record of involvement with the police, sitting in an office on £65k a year."

"The Conservatives have made the wrong choice yet again, choosing cronyism and jobs for the boys and girls over making our streets safer."

Mr Simmonds said: "It doesn't surprise me that Cllr Glynnane can keep banging on about something that was dealt with much earlier this year."

"I have appointed people who are equipped for the job and who have been through all the correct recruitment processes."

"I am comfortable that these are the right people who can help me reduce crime in the county."

War of words about 'noisy' route set to rumble on

RESIDENTS from Spencer and Dallington are going to step up their fight against the county council.

They are furious the authority will not remove all of the rumble strips from Gladstone Road, Northampton, which

they claim are noisy - only half of them.

Cllr Gareth Eales, who is a ward councillor on the borough council, said: "We are going to intensify our campaign. We will get the environmental officer from the borough council to measure the noise on the

rumble strips when cars drive past. We are also going to launch a petition."

A spokesman for the council said previously: "The solution offered to residents increases the stretches of relatively quiet highway and introduces vehicle activated

signs and new road markings. The council has no further proposals to offer - the council believes the solution it had offered maintained the improved safety aspects of the scheme while addressing the noise issue - all within the budgets available."

Cloudy2Clear Windows - Service With A Smile!

It's been a crazy few months for Cloudy2Clear Windows. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes - not the frames has grown rapidly as homeowners take advantage of their services.

Managing Director Trevor Skidmore feels that it's all about service. "Our product is simple. If your double glazing is misted up we can replace the glass at a fraction of the cost of a new window, in any type of frame, and with a new 5 year guarantee. But it's not just about saving people money, although

that obviously helps. Many tradespeople have struggled since last year and I honestly feel that during the good times a minority perhaps didn't focus on customer care as much as they should have done. We make sure we turn up when we say we will, do the job the customer requires and leave their house as clean as a whistle. I often get comments back from customers on how they really didn't expect that sort of service which, in a way, is very sad for the service industry as a whole."

Cloudy2Clear service the Northampton, Kettering, Wellingborough & Corby areas and Trevor is finding that his

approach is a major factor in his success. "The truth is that it's not just the personal satisfaction that I get from doing a good job but also it makes good business sense. I get a huge amount of business from friends and family of people I've done work for,

which just goes to show how much a little bit of effort is appreciated."

So, if your windows are steamed up, broken or damaged give Trevor a call for a free quotation on 0800 61 21 118 and he'll be happy to help!

Hunt is on for the county's top tipple

THE search is on for the county's favourite locally brewed ale.

Behind The Bus Stop, based in Wellingborough Road, Northampton, has sold out of two Northamptonshire ales within days of stocking them - prompting the hunt.

Bar manager Paul Tyrrell said: "We thought we'd try a couple of local ales to go alongside our other beers and the regulars seem to love them. They're proving really popular and it just goes to show the quality of the beer brewed locally."

"We want to celebrate what we have locally and champion the great breweries that are producing high quality ales on our doorstep."

"We'll get a nice big barrel of whatever wins to give the brewery a platform to showcase their great work."

Easter chocolate eggs-travaganza

CHILDREN across the county will have an eggs-tra special Easter this year after a law firm donated more than 350 chocolate eggs.

Staff at the Northampton office of Shoosmiths got cracking and collected the Easter gifts.

They will be distributed across the county by

staff at Northamptonshire County Council working within Children and Young People's Services.

Philip Baldwin, a partner with the law firm, said: "We were delighted to help and even I was impressed by the generosity of our staff. These are children who, without our help and that of other

like minded businesses, might not have received a single Easter Egg this year."

Jeanette Walsh from the county council said: "Thanks to Shoosmiths' support many of the most vulnerable children and families living in our county can enjoy a happy Easter."

Flooding fears of 1,000 homes plan

BY SOPHIE SCOTT
sophie.scott@hpnorthants.co.uk

CONCERNS have been raised about potential flooding and traffic problems if a 1,000 home development is built in the south of the town.

Wootton and East Hunsbury and Collingtree Parish Councils have been distributing leaflets to residents in affected areas to warn them of the plans and to ask for their opinion.

Bovis Homes is in the process of putting together a planning application for the development - which would be built on land south of Rowtree Road and between the M1.

Cllr Jonathan Nunn, chairman of Wootton

and East Hunsbury Parish Council, said one of the key concerns was that the development would cause flooding.

He is also worried about the impact the extra traffic would have on the 'already congested' area.

The plans, which would include about 1,000 homes and a primary school, are part of the Joint Core Strategy for West Northamptonshire proposals.

These outline how 19,800 homes are needed to be built over the next 14 years.

The proposals, which came under intense scrutiny from protest groups when they were initially released, have been re-evaluated and

the number of new-builds has been reduced by 1,560.

On the edges of Northampton seven housing developments need to be built.

Cllr Nunn added: "Our key concern is one of flooding. The area already suffers from this and as recently as last October houses in Belfry Lane were damaged by the bad weather."

"People are really concerned that even with a flood impact assessment it won't properly assess the impact."

"We are also worried about the increase in traffic, especially heading towards the A45 which is already at a standstill most mornings."

"All we can do is come up with some alternative options."

The leaflet states: 'We are in no doubt that the local community, as a whole, is not comfortable with such a development, and wish to prevent it going ahead.'

'But as "No Development" is probably not an option we need to make sure that what development does take place is acceptable as it possibly can be to the surrounding communities.'

'If we don't engage in the process it is likely that development will take place at the developer's behest.'

We should all take responsibility for litter

WHILE I applaud Daphne's mission to litter pick (Herald & Post, March 14) isn't it time that all of us went back to 'Keep Britain Tidy' days.

It is not the Borough Council's job to keep the front of our houses clean, we should all make an effort.

If nobody dropped litter, money could be saved on council tax and we could all benefit.

It seems to me there is a consensus that 'it is the council's responsibility'.

So many people now know their rights but not their responsibilities.

Preserve our countryside

I WAS delighted to see that planning permission for a wind farm at Lyveden New Bield was quashed.

Rare treasures like this with its Elizabethan gardens must be preserved and not overshadowed by such monstrosities.

This should be the start of more such rejections. We must preserve the rest of our countryside, as well as the outstanding examples.

It would not be so bad if these wind farms were of any use, but they are not.

How many other industrial developments are projected in order to work unpredictably for only 30 per cent of the time, for that is all these turbines will do.

That's for 120 days of the year and I keep asking, what do you do for power on the other 245 days? I never get an answer.

Care concern for diabetes kids

I AM writing to let your readers know many children with health conditions such as Type 1 diabetes are not getting the care or support they need to manage their condition in school.

One million school children have a health condition, including 29,000 with diabetes.

We know children with diabetes can be excluded from school activities like PE, denied places on school trips, refused help with injecting - forcing their parents to go into school. This means that they are not able to fully achieve their academic potential and enjoy as normal a childhood as possible.

These children have been completely forgotten and the Children's and Families Bill, which proposes the biggest shake-up to special education needs provision for a generation, fails to ensure that they get the support they need to fully participate in school life.

This is why Diabetes UK is calling for schools to have a statutory duty to provide support for children with diabetes and other health conditions.

We would like parents and carers of children with Type 1 diabetes in Northamptonshire to tell us about their experiences of diabetes care in schools so we can share their experiences

Advice for Polio sufferers

THE Mayor of New York Michael Bloomberg's donation of \$100m to the Gates Foundation mission to eradicate Polio from the world is fantastic news, but is far from the end of the story.

The donation is warmly welcomed by the British Polio Fellowship, as it is hoped that by putting an additional spotlight on Polio will also help raise awareness of the 120,000 people still living with the effects of Polio - Post Polio Syndrome (PPS) in Britain today.

Thanks to the likes of Bill Gates and Bloomberg, progress on Polio eradication has been reassuringly rapid, but this is cold comfort for those who will continue to struggle with the after effects of this devastating condition for many decades to come and for whom there is no cure.

There is hope for people and their families living with a neurological nightmare.

The British Polio Fellowship offers practical help, support and information not only to them, but to carers and health professionals too.

We are also here to listen and can be contacted free on 0800 018 0506 by emailing at info@britishpolio.org.uk or visiting www.britishpolio.org.uk

Call us for a chat or let us put you in touch with others living with PPS who know what you are going through.

Globally fewer than 225 cases of Polio were reported in 2012, yet with over 120,000 people with PPS in the UK alone, we have a long way to go before we can truly consign Polio to the history books.

Ted Hill MBE
CEO, The British Polio Fellowship

World's biggest Easter Egg hunt

THIS year the world's biggest Easter Egg Hunt, the Lindt Big Egg Hunt, is touring the UK giving families across the nation the chance to have an eggciting day out and raise funds for leading children's charity Action for Children.

More than 100 distinctive two foot high hand-painted eggs designed by leading UK artists, including Sam Taylor-Johnson and Billy Childish, are being hidden in different cities between now and Easter.

Join in the fun on Facebook and find out when the hunt is coming to a city near you at www.facebook.com/bigeggshuntuk.

You can see all the eggs at thebigeggshunt.co.uk and take part in the online auction. Every egg is for sale, including the special Humpty Dumpty egg and eggs by much-loved children's characters including Peppa Pig, SpongeBob Squarepants and Moshi Monsters.

You can also support us by texting the word EGG to 70123 to donate £3 to Action for Children.

All money raised from the hunt will go directly to Action for Children, which runs more than 600 services across the UK, making a difference to the lives of more than 250,000 children, young people, parents and carers.

So I hope you will all join me in supporting the eggcellent Lindt Big Egg Hunt.

Care home's given approval to extend

BY ANNABEL HOWARD
annabel.howard@hpnorthants.co.uk

DESPITE nearly 200 objections the extension of a care home has been given the go ahead.

Based in Spratton, Broomhill care home for people with dementia will be transformed from 15 beds to 84 after the decision was made by Daventry District Council last Wednesday.

The original application submitted for the former hotel last year was to have a total of 99 rooms.

Objections to the application made by St Matthews Healthcare included issues with security and traffic.

As a result, conditions have been put in place.

These include flood prevention, protecting the visual

amenity of the area and safety measures.

Another is that the work must start within three years of March 13.

Building plans have been reduced in size as well as saving

many of the trees outlined to be felled.

Although the council recognised that the new site would affect the landscape they believed this would not overshadow the advantages.

Spratton Parish Council supported residents and opposed the development on the basis of it being too large and that it is in a special landscape area.

Previously, Sean Sidhu-Barr, managing director of St Matthews Healthcare, told this newspaper: "I can understand people having fears but there is a real need for this kind of facility in the county."

"We will be putting just under £7 million into this project and it will create up to 100 new jobs in the area."

Investment in skatepark sees shelter pop up

A SHELTER has been put up in the town's skatepark.

The covering at Radlands Plaza on Bedford Road, Northampton, is equipped with a

Bluetooth music player that can be activated by mobile phones.

It is part of a £150,000 investment by Northampton Borough Council which will also see a cafe built on the

site before the summer.

Cllr David Mackintosh, leader of Northampton Borough Council, said: "This is one of the first Northampton Alive projects to be complet-

ed and is a great example of Northampton Borough Council working with young people to transform our town."

Floodlights have already been installed for nighttime use.

Let's celebrate glorious food

BY SOPHIE SCOTT
sophie.scott@hpnorthants.co.uk

THE Northamptonshire Food and Drink Awards have been launched and the *Herald & Post* will be media partner in two of the categories.

The Carlsberg UK Northamptonshire Food and Drink Awards is now in its fifth year and aims to celebrate local produce and drink.

The honours, devised by Northamptonshire Enterprise Partnership (NEP), recognise excellence within the county's dining venues and rewarding those within the culinary sector. They were officially launched at Carlsberg's Bridge Street site last Thursday.

The *Herald & Post* is media partner in two categories - 'Aspire Chef of the Year' and 'Young

Chef of the Year'. NEP's executive director, Rob Purdie, said: "Food and drink is worth £1.5 billion to the Northamptonshire economy and the industry employs almost 50,000 people.

"For us, the awards are about securing and creating jobs and businesses in the sector; they're also about safeguarding the

future of the county's young people as the industry is great for entry level jobs."

Awards' co-ordinator Rachel Malloes said: "We are very confident this year's awards can only build on the great work and we can't wait for those entries and nominations to start flooding in."

Herald&Post

H&P proud to be part of awards

THE *Herald & Post* will be media partners in two of the 13 award categories.

This newspaper will be bringing more details about the upcoming competition

over the coming months including the 'Aspire Chef' and 'Young Chef of the Year' entries.

For more details on all categories in the Carlsberg UK

Northamptonshire Food and Drink Awards, including entry forms or how to nominate, visit www.northamptonshire-foodanddrink.co.uk or contact 01933 664437.

Election promises pave way for vote

BY SOPHIE SCOTT

sophie.scott@hpnorthants.co.uk

MANIFESTOS from all three political parties have been released in preparation for the upcoming county council elections.

The major players in this May's election have now outlined their promises to the people of Northamptonshire if they were to win.

Both Labour and the Liberal

Democrats have promised to switch the street lights back on across the county and save 'millions of pounds' by shutting down the county council's office in Brussels.

While the Conservatives, who currently hold 54 of the seats, have declared that if they were to win again this year then they believe they would be in power for another decade.

But this year's election will be slightly different to previous

years. The Local Government Boundary Commission has reviewed the wards in Northamptonshire and instead of the current 73 councillors, from May there will be a decrease in their number to 56.

The Conservative's manifesto focuses on what they have achieved in the last eight years, since they took power from Labour, and how they will build on the projects already in place. Some key points include cut-

ELECTION BID: Labour leader Councillor John McGhee and Liberal Democrat leader Cllr Brendan Glynane

ting back office staff by 'working with more councils', keeping all libraries open and expanding their use, increasing the number of foster carers and developing the historic Chester Farm site as a visitor attraction.

Also included is a promise to continue to keep council tax 'low' and publish any transactions higher than £200.

Leader of the council, Cllr Jim Harker, said: "Our record will be based on the last eight years since we inherited the shambles Labour left us with."

"We have an excellent record and a well thought out manifesto. We will be fighting every seat."

The Lib Dems last month launched their 'Safer Streets' campaign which is one of the

key messages of their manifesto. They also pledge to protect frontline policing, fix roads and pavements, 'slash' top councillors' pay and cut County Hall 'spin doctors'.

Lib Dem leader Brendan Glynane said: "The key thing we are campaigning on is public safety. We talk to residents and people are scared to go out at night."

"We don't think people are going to vote for the Conservatives based on their current financial record."

"A lot of people don't want another ten years of that."

Labour have six main promises, with priorities going towards the elderly and the young. They have said they will put the elderly before profit,

invest in youth clubs and create training opportunities.

Party leader Councillor John McGhee said: "People are really going to be struggling and we want to help them as much as possible."

"We do not need the Brussels office. We have European MPs elected to do that job for them."

Both Cllr Glynane and Cllr McGhee admitted that there were similarities between each of their pledges and said they would be 'willing' to work with others who shared the same views.

The campaign trail will soon be hotting up and your representatives will be vying for your vote. Let us know what you think by emailing letters@hpnorthants.co.uk

You won't believe how tiny and discreet the new Nanopop digital hearing aid is...

"It's truly a miracle and we cannot thank you enough for giving us back our lives to enjoy"

That's why we give you a FREE TRIAL*

Wearing a hearing aid used to be a big deal. But not anymore.

Thanks to the amazing tiny Nanopop. Revolutionarily designed to sit comfortably inside your ear without blocking it – Nanopop is now the world's most invisible custom fit digital aid. It's true. Simply pop the Nanopop in your ear and ask someone to view your ear from any angle: front, behind or sideways on. We guarantee they won't be able to see the Nanopop from any angle whatsoever!

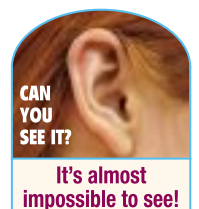

3 X'S THE POWER

What the Nanopop lacks in size it more than makes up for in cutting edge performance. If you already wear a hearing aid you'll be amazed at just how brilliantly the latest Voice Intel

software zooms in on speech clarity and filters out background noise in busy environments – making it so much easier to follow conversations without effort. And this is because the Nanopop uses multi-core 16 channel processing which is THREE TIMES more powerful than previous systems. So you get a higher quality sound with smooth seamless transitions in different surroundings.

APPLY NOW FOR FREE TRIAL

To show you how small Nanopop is we want to give you a FREE TRIAL of this truly amazing device - without obligation. To secure your FREE TRIAL at home or instore - please apply by 2nd April 2013

CAN YOU SEE IT?

It's almost impossible to see!

Pop it in! Pop it out!

You won't believe how you can hear so much more clearly and naturally again... nor how easy and comfortable it is to wear!

Decision to be made on ambulance future

BY SOPHIE SCOTT

sophie.scott@hpnorthants.co.uk

THE county is to have 13 ambulance points if a plan to shake-up the service goes ahead next week.

East Midlands Ambulance Service (EMAS) launched its 'Being the Best' consultation last year which looked at reducing the number of stations across the region.

The Trust will meet on Monday to discuss the proposal which has been re-developed after consultation.

If the plan is agreed there will be two 'hubs' in Northamptonshire - one in

Northampton North and the other in Kettering. There will be a station in Brackley and ten community ambulance stations in Oundle, Towcester, Hardingstone, Barton Seagrave,

Rushden, Daventry, Stanwick, Northampton south, Wellingborough and New Duston.

The details of each of these will be revealed after the meeting.

Chief Executive Phil Milligan said: "I am pleased our staff, and the people and organisations who have an interest in the service we provide have taken the time to be involved, to have their say and help to shape our plans."

"In the true spirit of consultation, that is what has happened. We've listened to the responses received during the consultation and we've developed and shaped our plans using that feedback."

"Our service has got to change if we are to improve."

Extra staff and better vehicles for EMAS

THE ambulance service will be hiring 140 emergency care assistants and extra ambulances.

East Midlands Ambulance Service is spending more than £2.8 million getting the staff in by the end of

summer. It is also paying out more than £1.2m in vehicles.

By the end of next month EMAS will have replaced or upgraded 55 vehicles.

Emergency care assistants support the work

of paramedics and ensure the most skilled clinicians are available to respond to the most serious calls.

Chief Executive Phil Milligan said: "Demand is greater than ever before so we are working

within the funds available to us to ensure we have the right people and resources in place to respond to calls quickly and appropriately."

"This means investing in our frontline services."

Beer festival will be a 're-ale-y' big success

THE Wig & Pen has been announced as partners for this summer's Delapre Beer Festival.

The much-loved pub will bring more than 150 years of experience and knowledge to the popular event - which was saved from the axe this year after Northampton Borough Council stepped in to run it.

Richard Gordon, manager of the Wig & Pen, said: "It would have been a real shame to see the event postponed, so we are more than happy to be a part of making this year another huge success."

Town's redevelopment given the green light

BY SOPHIE SCOTT
sophie.scott@hpnorthants.co.uk

LONG-AWAITED work on the regeneration in part of a town is due to begin 'shortly'.

Planning permission has been granted for the Moat Lane and the Springfields/Green Lane development in Towcester - subject to the signing of a Section 106 agreement.

South Northamptonshire Council (SNC) confirmed the scheme had got the green light

last week and that the first phase of the programme will begin 'shortly'.

The Moat Lane scheme will see a rundown part of the town transformed into a community space with shops and cafés, business premises, quality homes, a state-of-the-art community building, adult learning facilities, council offices, public toilets and event space.

The Springfields/Green Lane site will be developed for housing, after the demolition of SNC's

current offices. Phase one will involve the construction of the new community building and the infrastructure to enable future phases of the Moat Lane development.

Councillor Rupert Fordham said: "We are delighted that permission has been granted which will help Towcester prepare for its expansion and give the community a wonderful space to work, live and take part in a variety of activities - something to be really proud of."

COUNTY BUSINESS AWARD LAUNCHED

THE search is on to find the county's young businessperson of the year.

Future Alan Sugars and Deborah Meadens are being sought as part of a new contest which has a prize valued at £10,000 up for grabs.

The aim of the competition is to celebrate enterprising spirit shown by young people in the county.

The Northamptonshire Young Entrepreneur Award 2013 has been launched by business networking group NN coNnect.

The competition is open to 18 to 24 year olds based in Northamptonshire.

They must have started a business in the last two years or are intending to as well as having an innovative idea, product or service.

Entries must be submitted by May 6 with the awards ceremony taking place on June 5.

To enter visit www.nn-connect.co.uk/entry

SCHEME TO CHAMPION HEALTHCARE

THE University of Northampton and Northampton Volunteering Centre are working to create Healthwatch Northamptonshire - a new independent consumer champion for both health and social care.

Launching next month as part of the Health and Social Care Act 2012, the scheme will gather the opinions of county residents and use their views to improve health and social care services.

The project will signpost people to information about healthcare in Northamptonshire and cover GPs, hospitals, council social care services, opticians, dentists, care homes, home care and pharmacists.

An independent chairman of the new Healthwatch Northamptonshire board will be announced shortly and the project will be launched locally on April 24.

LOGO COMP A REAL CHALLENGE

A CONTEST to design a logo for the County Schools' Challenge ends on Sunday, March 31.

It is open to children up to the age of 16 and includes youth groups and schools.

The winning entry will become the exclusive logo used to promote future County Schools' Challenge projects, which aim to encourage secondary school pupils to use a business approach to raise awareness and develop creative ways to tackle a social problem.

You can download an entry form at www.nenor.co.uk - Northamptonshire Police's website for young people.

COUNCIL TO MANAGE CRISIS FUND

A NEW approach to supporting people in Northamptonshire during times of hardship will start next month.

As part of changes being introduced under the Welfare Reform Act 2012, the government is abolishing the discretionary Social Fund elements of Community Care Grants and Crisis Loans.

Instead, the government is providing money directly to local authorities, initially for two years, with an expectation that it will be used to develop assistance for those facing greatest difficulty in managing their income.

Northamptonshire County Council has consulted on how this money could be used locally as well as gathered information about what support and services are already available in the county.

From April 1 it will offer emergency and community help and independent living support. To find out more, visit www.northamptonshire.gov.uk/helpandindependence

COME AND SEE OUR DISPLAY MODEL

The Barbecue Cabin is a large building that some of our clients have changed to suit their individual needs – an office at home, an extra bedroom, fishing and shooting lodge, classroom – the list goes on. Not only is this an extremely beautiful building, it is also a very cost effective way of adding more indoor space to any home or business. This simple, yet stunning Scandinavian design sets these buildings apart from all others. Go on, be the envy of your friends on every and all days of the year.

Spring 2013 Home & Gardens

If the recent arctic conditions are anything to go by, you might be finding it hard to accept that spring really is in the air.

But since man (and woman) first made the most of the lighter evenings by sprucing up the cave paintings after a hard day's hunter-gathering, this has been the busiest time of year for home improvements.

As for the great outdoors, the birds are already belting out romantic ballads like there's no tomorrow, the sun is flying higher and higher in the sky and the air is beginning to smell oh, so sweet.

So take a deep breath and enjoy it. Now's the time to freshen up your décor indoors and spruce up your living space outside.

Major improvements may be beyond your means in these cash-strapped times but even the smallest of D-I-Y mini-makeovers can lift your spirits and brighten up your home. Even a splash of spring cleaning can go a long way to breathing new life into a 'worn-down by winter' house but sometimes a little more inspiration is required.

If you've decided that 'improving is better than moving', maybe now is the time to invest in a new kitchen or bathroom; it will add thousands to the value of your home but there are bargains out there to be had if you look for them.

In the garden, a fresh look at the layout, an improved, colour co-ordinated planting scheme or even the addition of inexpensive strings of twinkling fairy lights, will bring the prospect of long, lazy summer evenings enjoying the al fresco lifestyle a little closer.

There's no need to take out a second mortgage to freshen up and make a few significant alterations.

With a little creativity - but not a lot of money - you can really look forward to summer at home and in the garden.

Kitchens to die for

You can change the look of the rest of the house without too much major upheaval but this is the big one. You'll probably only remodel your kitchen once or twice over the years so it is really important to get it right and how you want it.

Your kitchen has to reflect your lifestyle which probably means that it will have to function on a number of different levels. But bear in mind that sometimes it pays to spend a little bit more so that the furniture and appliances you install will last without dating.

For those who love the idea of a country-style kitchen, natural wood, whether it's limed, stained, painted or waxed, offers plenty of potential to display pretty crockery and other kitchen accessories adding to the olde-worlde charm. And if you have the space, a scrubbed wooden table will serve multiple purposes as a food preparation worktop and a place around which to share good food, good conversation and good company.

A Shaker-inspired kitchen combines old and new by mixing the wood-dominated look of a traditional kitchen and the clean lines of a more contemporary one - the perfect choice for indecisive types!

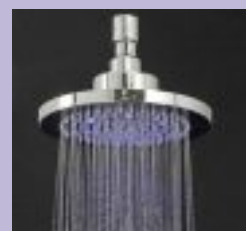

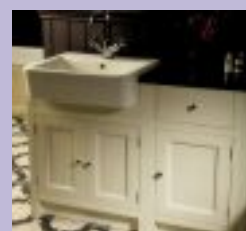

Contemporary kitchen design is influenced by a need to keep appliances, fittings and accessories out of sight to enhance the crisp, clean lines of this look. Sleek is in. Mono shades sit comfortably within this style but this year, both peacock blue and purple are also proving popular.

A high gloss finish will maximise space and reflect light, but there's no compromise on functionality. Stainless steel appliances not only look stylish and sophisticated but also give the room a unified look and those silver clean lines signal top-end refrigerators, stoves and even rubbish bins. Fridges may be getting bigger and bigger but, as with electronic devices or wireless systems, built into walls or niches, new technologies make them virtually invisible.

A central island is a practical, space-saving element in any kitchen that can accommodate it. Granite, engineered stone or Corian (a man-made product) is easy to keep clean and beautiful to look at. Sheet vinyl is the easiest flooring to keep clean but you can't beat reclaimed hardwood or natural stone for beauty and style.

Lighting is hugely important so worth taking time to plan. You'll need it light and bright for certain tasks but kinder for more relaxed dining or socialising.

And of course, twinkly LED lighting is not only environmentally friendly but also economically attractive.

WHAT'S OCCURRING?

DOES ANYBODY KNOW?

Spring 2013 Home & Gardens

Make the most of

*T*he days are getting longer, the sky is getting brighter - and all you can see is that your home looks duller! Spring cleaning can go a long way to breathing new life into your home but sometimes a little more inspiration is required.

There's nothing like a design rethink - even a mini-makeover - to cheer up both you and your home by making a few significant alterations.

You need to get the most out of the space you've got. The three most common ways of making your home bigger is to go UP into the loft, OUT into an extension, or DOWN into the basement. Modern building techniques and new materials give you more choices, whether the conversion is to serve as an extra bedroom, bigger kitchen, bathroom, home office or a playroom for the kids.

If you don't have any extra room to add an extension, try re-positioning the furniture; it will cost you nothing and change the look of a room in a flash. If, previously, your sofa and chairs were against the walls, pull it all out and place it at angles.

Seating and storage options need to pay their way. Armchairs or sectional sofas that can be mixed and matched to suit different arrangements are back in vogue. They need to be easy to take care of and eco-friendly as a bonus, as do storage items that can accommodate TVs, DVD players and surround sound systems.

If you are on a budget even painting one wall as a focal point will look cleaner and brighter. Add colourful texture and warmth with big bright cushions or rugs made of recycled materials or natural fabrics.

Welcome

Whether you are looking to buy, sell, rent, let or simply improve where you currently live, you will find all the information you need in this supplement.

For those of you looking to improve your current home, this week we are thinking about children's bedrooms.

If you are hoping to update your child's room or add some new accessories then check out our feature. We have found some lovely, bright ideas that are sure to inspire a youngster's mind. This is one room where you don't need to hold back.

If you are currently selling your property, make sure to have a flick through (with your coffee) to check you're in the right

price bracket and that your estate agent is marketing your property in all the options available.

Whether price is everything to you, or you are looking for that customer service, there is a wealth of new and established estate and letting agents throughout the town who can cater to your every need; so go and see what they can do.

As always, there are some stunning new properties on the market within the town, and throughout the county and some at surprisingly low prices; so sit back and enjoy viewing that dream house or being pleasantly shocked at what you can afford!

Warmest regards,

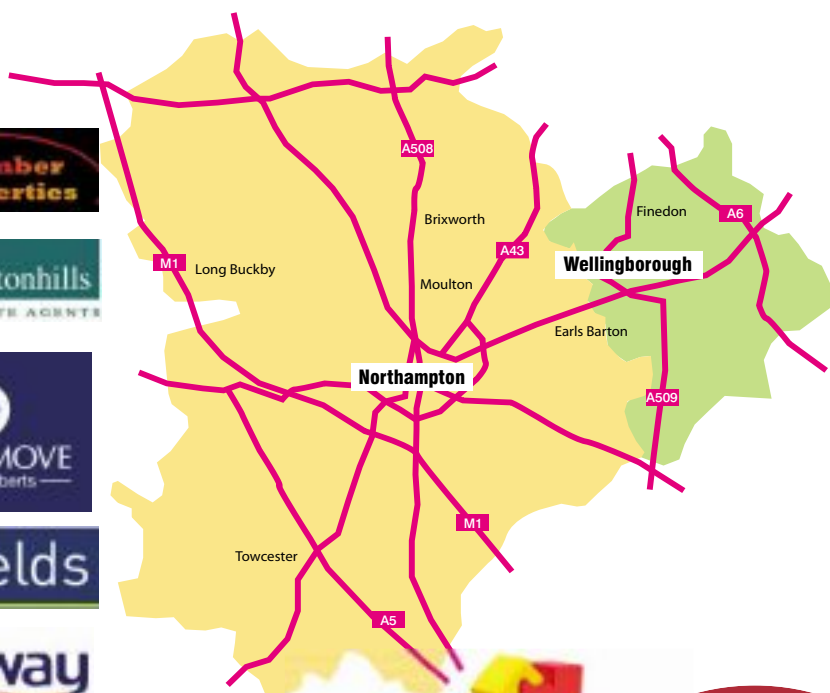

James

Taylors gets an exciting refurb

TAYLORS Estate Agents has continued to strive and improve its service this month by re-opening their flagship office in Bridge Street, Northampton, which has undergone a significant refurbishment.

Taylors is part of the largest estate agents in the UK with a network of more than 1,300 offices which is hugely important in going towards achieving the best possible price for its vendors.

Branch manager Shaun Civil said: "The prime positioning of the office is of utmost importance to us and we have further highlighted this with a heavy investment which has not only gone into the refurbishment of the office, but also into the opening of our Executive Homes Branch.

"As a company we continually strive to offer more to help achieve the best possible price to anybody looking to sell their property.

"The refurbishment of our Bridge Street office goes a long way to present our clients' properties in the most professional and eye-catching way.

"The opening of our Executive Homes Branch is an incredibly exciting event in itself.

"Our Executive Homes Division extends across four counties; Hertfordshire, Buckinghamshire, Bedfordshire and now Northamptonshire.

"The addition of our Executive Homes

Branch just goes to show the demand there is in the county for this kind of property, but also our willingness to invest into opening such a specialised branch.

"Our division of Executive Homes has many advantages over our competition in terms of what we can offer our clients – one of the most prominent is our association with our colleagues at John D Wood in London who give us unique and second-to-none specialist marketing in London.

"The marketing of your property is always at the very heart of our strategy to find our customers the best possible buyer for your property.

"Our ability in this area is un-rivalled as our Executive Homes branch can expose your property to affluent buyers on both a national and international basis.

"Our staff have many years of experience and offer an exceptional bespoke service which we believe you cannot find with any other agent.

"With the investment put into the refurbishment of the branch and the opening of the Executive Homes branch, the fantastic start to 2013 looks set to only get better.

"Come and visit us in branch to see exactly what we have done and what we can do for you – you'll be hard-pressed to miss us!"

CHILD'S PLAY...

Interior design isn't just for the adults and gone are the days when a little boy or girl's bedroom has to be a sea of blue or pink.

There are various ideas that can make a child's bedroom just as contemporary and design led as the rest of your property - while still maintaining a good dose of fun.

We have picked out some of

our favourite pieces and as you can see there are some great ideas from bold and colourful accessories, classic wooden designs and vintage inspired pieces. Some will even make tidying up more fun!

If you want to inspire your little one with a bright palette or add colour to a pale space, then start your search here. Enjoy it, they're only young once!

STREET VIEW: A typical Marford exterior, Bloor Homes

Bloor scheme to help you pair up

LOVE really does make you wealthier, as couples are £1,224 better off a year compared to single people living alone.

That means cohabiting partners have an extra £102 per month to add to their savings or to spend on luxury items.

Research by First Direct Telephone and Internet Bank revealed the spending habits of married couples or people living together.

Single people were less likely to splash out on luxuries than married or cohabiting people. They also found it harder to save money, with just 37 per cent adding to their savings every month against 45 per cent of those cohabiting.

Couples that are keen to move in together, but can't afford the large deposit needed to secure a home, should take note of the Bloor Homes FirstBuy scheme at The Lanterns development in Irthlingborough.

An equity loan of up to 20 per cent of the property price is provided meaning the purchaser only needs to arrange a mortgage for the remainder of the purchase price plus a five per cent deposit.

To qualify, the household income must be less than £60,000 a year and the applicant must be unable to finance a property in the area where they currently live or work.

Currently on offer at The Lanterns is a range of two, three and four bedroom brand new homes which have been completed to a high specification, including solar panels, built-in wardrobes to the master bedroom

and spotlights to the kitchen, en-suite and bathroom.

The two bedroom Marford is a popular home with first time buyers. On the ground floor, the entrance hall goes through to a spacious lounge which leads into the open plan kitchen/dining area with French doors opening out onto the garden.

A cloakroom completes the ground floor accommodation. Upstairs, the master bedroom features an en-suite bathroom and the second bedroom has access to a separate family bathroom.

The three bedroom Bampton features a spacious lounge, with an adjoining open plan kitchen/dining area with French doors leading to the rear garden.

This property also includes useful storage space in the form of a utility and cloakroom.

Upstairs, the double master bedroom benefits from both fitted wardrobes and en-suite facilities, with a further two bedrooms and a modern family bathroom.

Irthlingborough, with its wonderful community spirit, is a town that can provide for every day needs with a supermarket and independent shops, while nearby Wellingborough caters for those looking for high street brands.

Prices start at £133,000 for the Marford and £140,000 for the Bampton.

your living space

There are also plenty of inexpensive wall hangings on the market - whether it's a classic reproduction or a funky sculpture - but when you position it, hang it lower than you might normally think of doing. On the other hand, hang your curtains as high as possible to give the appearance of height to your room.

Continuing the eco-approach, there are some terrific lamps and reading lights made out of recycled wood and plastic and there's no reason why you shouldn't decorate your walls with nature too.

Plants always liven up any home decorating ideas and come in a multitude of styles and sizes. But if your track record in keeping them alive is not good there are some remarkably attractive silk flowers on the market these days. Large statement scenes of plants, trees and flowers work very well in the contemporary living room and they can be as realistic or as abstract as you like.

All in all, whatever you decide to do to improve your home the upside is that not only do you get to enjoy a re-invigorated living space but you're bound to recoup your investment if you come to sell later on.

With a little creativity - but not a lot of money - you can really look forward to summer at home.

Indulgent Bathrooms

TOOTH PASTE gets squirted, water gets splashed and clothes get thrown around in it. Yet we really need our bathroom to be a little haven from the stresses and strains of everyday life.

It is the interchange section between sleeping and waking, activity and rest - whether we're taking a refreshing shower to prepare us for the day ahead or a long, relaxing soak after an exhausting one.

So what do we need from this all-important space?

Functionality obviously but thereafter there's no reason why you can't indulge your whims and fancies just as you would in any other room of the house.

If you are planning a bathroom makeover soft and soothing lines with natural materials remain key. If your budget allows, go for products with longevity and high quality combined with traditional workmanship; a mix of contemporary classic design with a sense of luxury.

This year has seen the emergence of a sophisticated subtle palette of muted earthy tones in greys, grassy greens, aubergine and stone. But introduce a daring splash of vibrant colour for a modern twist on the spa-at-home theme.

As for bathroom furniture, modular remains the most popular choice and it can be pieced together to create the exact look you want. But there will always be a market for quality bespoke floor-standing pieces in warm woods or muted tones. If you're a sucker for a lovely hot bath before bed, free standing tubs remain strong contenders for that touch of luxury and relaxation.

Your choice of taps and accessories is just as important as your suite - especially as they're likely to be used several times every day.

One of the most common mistakes people make is to splash out on their suite, but scrimp on their taps so make sure you reserve enough in your budget for these important final touches. Look out for taps made from high quality brass and set them off with matching accessories.

Part tiling is a strong trend; combine simple splash-backs with fully tiled feature walls in contrast to painting remaining walls in a complementary or statement colour. LED lighting remains the top choice for ambience and boutique styling but consider light 'layers' - light from different sources - controlled separately to create different effects.

A warm, fluffy bath sheet, toasting nicely on a towel rail is bliss but for a funkier looking heat source designer radiators now come in amazing shapes and finishes including wood and glass and in colours that include soft greys, creams, white and metallic finishes.

Under floor heating is also becoming more and more popular because it provides an efficient, silent, invisible and highly practical heating solution.

Spring 2013 Home & Gardens Beautiful Gardens

If you are clever (and lucky) enough to have green fingers and a back yard that others drool over, you'd be amazed at what you can do with just a little forethought and elbow grease on even the smallest patch.

Garden trends have to tick a number of boxes not least the need to be practical, environmentally sound and imaginatively designed - and all without spending too much money to achieve your own little Eden.

You can't hurry a garden. Unless you've got a team of heavies to come and give it an instant makeover it could take years to get your plot just the way you want it. But there are a few tricks of the trade you can bear in mind.

Hot colours, such as reds, orange, bright yellow and even brilliant white will jump out at you. They will make a large space more intimate and a small garden feel even tinier.

Cool colours - blues, soft pinks and lilacs mimic that atmospheric 'blue remembered hills' haze. Plant up flowers, shrubs and bushes in those colours round the perimeter and it will make your garden feel bigger. Similarly, painting fences in muted hues will add to the perception of receding boundaries.

You can borrow a few tips in perspective from painters by running a path straight down the centre of your garden that gradually narrows as it reaches the back fence. Or clip a hedge so that it diminishes in height the further away from you it gets.

Growing your own vegetables and herbs, whether it's on half an acre or in a window box, is a great way to get the whole family involved in an activity that will give hours of fun and good exercise as well as putting some delicious home-grown produce on the table.

However unpredictable our English weather is, there's enough evidence to suggest that water is fast becoming a precious resource.

Collecting rain in a water butt will help keep your garden growing through even the driest of summers.

And there's nothing like the sound of a fountain trickling lazily in the background to relax you through those long hot summer afternoons.

THEATRE

BIRDS OF A FEATHER

Royal & Derngate
April 30, 7.30pm

AFTER a successful first national tour last year, Pauline Quirke, Linda Robson and Lesley Joseph are returning to the stage with this much-loved comedy.

Based on one of the BBC's most

popular sitcoms, *Birds Of A Feather* ran for nearly ten years until finally ending in 1998.

The audience follows the misadventures of Sharon Theodopoloudos and Tracy Stubbs (Pauline Quirke and Linda Robson) and their man-eating neighbour Dorien Green (Northampton-born actress Lesley Joseph).

Recent work includes Pauline in ITV1's *Emmerdale* as Hazel Rhodes and in *The Sculptress*.

She is also starring in the ITV

drama series *Broadchurch* with David Tennant.

Linda rose to prominence in *Shine On Harvey Moon* and also appeared in *Harry's Game* and *Play For Today* amongst others before starring as Tracey in *Birds Of A Feather* for nine years.

Her theatre work includes *Grumpy Old Women*, *A Passionate Woman*, *The Food Chain* and *Telstar* in London's West End. Most recently she paid a visit to the jungle in *I'm a Celebrity Get me out of Here*.

Lesley has just returned from a tour of *Calendar Girls*. But now the trio will recreate their *Birds Of A Feather* characters in a show created especially for the stage by The Comedy Theatre Company, producers of the highly successful tour of Victoria Wood's *Dinnerladies* and *Keeping Up Appearances*.

Tickets are priced from £13.50 to £29.50.

'Ukulele' must go to see Joe

MUSIC

JOE BROWN

Royal & Derngate
March 29, 7.30pm

MUSIC legend Joe Brown will be rocking with his five piece band, including son Pete, after celebrating 50 years in the music industry last September.

He marked the occasion with a sell-out gig at the Royal Albert Hall. The musician will perform some of his top hits.

The group promise classic rock 'n' roll, country, gospel and folk.

They will also be performing new material from their most recent album, 'The Ukulele Album'.

He is well-known for the variety of instruments he uses in his music, which includes the mandolin, violin, banjo, ukulele and electric guitar.

His 'very best of' achieved a gold record after sales reached more than 120,000 and it was in the UK charts for eight weeks running, including four in the top 20.

Tunes will be interwoven with his trademark effervescent delivery and humorous reminiscences.

The gig has been described as a musical journey, boundary breaking and not to be missed.

Audiences have been blown away by his stage presence and live performances on 'Later with Jools Holland' and at Glastonbury.

One of his most impressive accomplishments to date was recently receiving MOJO magazine's Outstanding Contribution to Music Award.

Tickets cost £22.50, and can be booked by calling the box office on 01604 624811.

BODICE CONSCIOUS

A NEW exhibition at Abington Park Museum celebrates the Liberty Bodice - essential wear for generations of children in the first half of the 20th century.

Love them or loathe them, the fleecy undergarment for women and children was invented in 1908 by Fred Cox, of R&W H Symington & Co of Market Harborough.

The exhibition includes items from the Symington and Northampton museum collections and tells the story of how the Leicester-shire corsetry manufacturer launched a new undergarment for children.

It also explores the way childhood was perceived at the beginning of the 20th century and advertising methods used at the time.

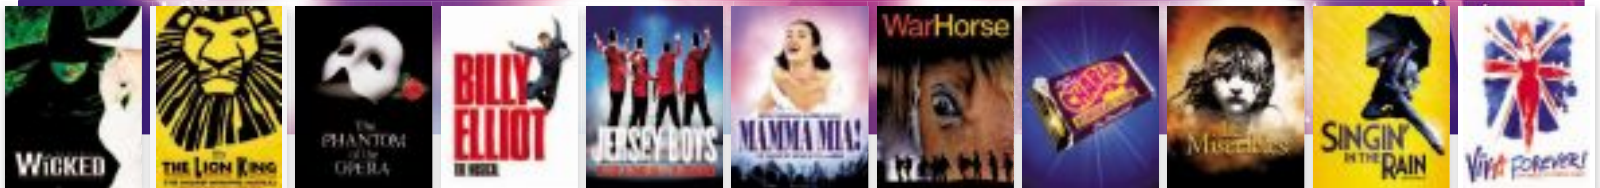

The exhibition 'I love my Liberty Bodice' runs from April 1 to May 12 at Abington Park Museum.

Admission is free and the museum is open Thursday to Sunday 1-5pm.

RAPUNZEL

Deco Theatre, Northampton
April 10 and 11

THE girl with the magical golden hair will be in the spotlight next month.

Brought to the Deco stage by the same team behind last year's sell-out tour of The Wizard of Oz, Enchanted Entertainment will offer another family friendly, action-packed show.

This hilarious 'Easter Pantomime' stars Jenny Jones (CITV's Hi-5) as Rapunzel, Jon Moses (ITV's Superstar) as Prince,

Kay Purcell (Gina from Tracy Beaker Returns) as Gothel the Enchantress and Blue Peter legend Peter Duncan as Muddles.

People can also see Joe Chambers as Jape the Jester and Andrew Crawford as Joey the Jester, both from CBeebies' The Rhyme Rocket.

Come and join Rapunzel and her Prince in this wonderful, all new professional production of the classic Brothers Grimm fairytale.

There will also be great songs, dance routines, laughs and a live band.

University to talk the talk on footwear

EVENTS

WORLD AT YOUR FEET

Avenue Campus,
The University of Northampton
March 20-21, 9.30am

A CELEBRATION of footwear from across the globe will be taking place at the end of this month.

Experts from China, USA and the UK will discuss the history of shoes in a two-day conference. Professor Giorgio Riello from the University of Warwick will begin the event by speaking on the art of the shoe, exploring its beauty as an object.

On the second day, Katie Greenyer, creative director at Red or Dead, Pentland PLC will discuss business and subcultures around shoe brands.

Open debates include the transformation

of shoe manufacturing in China, New York's 'sneakerheads' and 'sneakerholics', the fashion subculture of Vivienne Westwood shoes, how World War Two influenced the development of the stiletto in the 1950s and the popularity of Clarks Originals in Jamaica.

Vicki Dean, head of fashion at the University, said: "Northampton's roots are at the heart of the footwear industry and for us this conference celebrates Northampton's heritage, as well as engaging the future generation of footwear enthusiasts from across the globe. Footwear is a global language, which transcends nationality and unites world commerce."

Councillor David Mackintosh said: "This is a great opportunity to raise the profile of Northampton on an international level."

Tickets cost £200 for both days. To book contact footwearconf@northampton.ac.uk

NEW CAR REVIEW

MINI John Cooper Works GP WORKING IT

By Andy Enright

With 215bhp on tap and a 150mph top speed, the two seat MINI John Cooper Works GT model is no stripes and chicken-wire grille run-out model. It's something very special with a custom interior, sticky tyres, extremely focused suspension setup and big brakes. But it's certainly not cheap.

The GP doesn't want for power. There's 216bhp on tap from the four-cylinder turbo engine which is plenty for a car that weighs in at just 1,160kg. Adjustable coilover suspension and some fearsome brakes provide the control and helped this MINI to a time of the full Nurburgring circuit of just 8 minutes 23 seconds. With its 0 to 62 mph sprint time of 6.3 seconds and a top speed of 150 mph, the GP is properly punchy, and features a stability control package that isn't paired with DTC traction control like a normal MINI model but instead features a special GP racing mode. This disables the ASC engine power reduction, so this system

offers just ASC braking, based on the EDLC (Electronic Differential Lock Control) which uses the brakes to add the stability effect of a differential. Got that? In layman's terms, it drags the car into a corner more sharply when you're really throwing it down the road.

That coilover suspension allows the ride height to be lowered by up to 20 millimetres. Among other things, this means the suspension set-up can be fine-tuned to different circuit conditions whenever the MINI goes out onto the track. Stickier tyres also feature on this car along with upside down front shock absorbers and increased front camber to really give the car a strong front end.

Outstanding braking performance is provided by the JCW GP's six-piston fixed-calliper disc brakes, vented at the front. It's no half-hearted effort, this.

The MINI John Cooper Works GP model is it a whole tall-stack of fun? Absolutely. It's not the best-sorted hatchback out there and at times it can feel downright boisterous, but that only adds to the feeling that this car is something a bit removed from the norm;

a tool whose objective is to paint a huge smile on your face and make every drive an event.

Judged in those terms it's a winner. There aren't many cars that feel naughtier to drive now that the Subaru Impreza and Mitsubishi Lancer Evo turbo nutter models have been pensioned off. In that regard at least, the MINI JCW GP feels like a throwback, a hot hatch from the days when driving was about having fun on a clear road. Is that a realistic sell these days? MINI clearly thinks so and they hope 2,000 kindred spirits out there agree.

Depot Driver Ref: DEP2013

Bedford Cauldwell

£22,581, increasing to £35,549 after training

First Capital Connect Ltd (FCC) is a dynamic and progressive company, powered by dedicated and professional people. Our aim is to deliver a great journey every day by getting the basics right for our customers and providing a train service which is punctual and reliable, clean and safe. We employ over 2,400 staff based at around 100 locations and operate trains between London, Brighton, Bedford, Peterborough, Cambridge and Kings Lynn.

We are delighted to announce that the opportunity has arisen for a number of Depot Driver positions.

Depot Drivers play a key role in the depot, carrying out train movements within the depot confines, operating a signal control panel, operating hand points and carrying out train preparation duties. Flexibility to work a three-shift pattern incorporating early, late and weekend shifts and good teamwork skills are essential.

At this time we are recruiting for Depot Drivers to be based at our Bedford Cauldwell Depot. Due to our fatigue monitoring system for all safety-critical staff, it is crucial that all candidates live within close proximity of the depot at which they are assigned. Therefore Bedford-based drivers must reside within 45 minutes travel time (car-parking facilities are available if required).

PUBLIC NOTICE

The Office of Fair Trading is currently investigating the completed acquisition by the Local World Holdings Limited of certain regional newspapers and websites of Northcliffe Media, the regional publishing arm of Daily Mail and General Trust PLC ('DMGT Group'), and Little News & Media, the publishing subsidiary of Yattendon Group under the merger control provisions of the Enterprise Act 2002. This will enable the OFT to determine if the transaction warrants reference to the Competition Commission. The three major shareholders of Local World Holdings Limited are DMGT Group, the Yattendon Group and Trinity Mirror plc.

If you have any comments relating to the effects of the transaction on competition please send them to mergers@of.tgs.gov.uk

All responses must be received by 29 March 2013.

**THE WEST NORTHAMPTONSHIRE DEVELOPMENT CORPORATION
(ST PETER'S WATERSIDE, NORTHAMPTON) COMPULSORY
PURCHASE ORDER 2012**

The Local Government Planning and Land Act 1980
and the Acquisition of Land Act 1981

1 Notice is hereby given that the Secretary of State for Communities and Local Government, in exercise of his powers under the above Acts, on 7 March 2013 confirmed The West Northamptonshire Development Corporation (St Peter's Waterside, Northampton) Compulsory Purchase Order 2012 submitted by West Northamptonshire Development Corporation.

2 The order as confirmed provides for the purchase for the purposes of discharging the Corporation's functions in the area, namely to facilitate the comprehensive regeneration of the land described in the Schedule hereto.

3 A copy of the order as confirmed by the Secretary of State for Communities and Local Government and of the map referred to therein have been deposited at the offices of the Corporation at Franklin's Gardens, Weedon Road, Northampton NN5 5WU and may be seen at all reasonable hours.

4 The order as confirmed becomes operative on the date on which this notice is first published. A person aggrieved by the order may, by application to the High Court within 6 weeks from that date, challenge its validity under section 23 of the Acquisition of Land Act 1981. The grounds for challenge can be that the authorisation granted by the order is not empowered to be granted or that there has been a failure to comply with any relevant statutory requirement relating to the order.

SCHEDULE

LAND COMPRISED IN THE ORDER AS CONFIRMED

The Land to be Acquired

The land subject to the order extends to a total area of 23,942 sq metres and comprises of the land and buildings generally to the south east of the Northampton town centre adjacent to, and west of, St Peter's Way, including land and property in Green Street, land and properties in Tanner Street, parts of highway known as Towcester Road, part of Western Wharf and part of Riverside Walk.

Dated: 21 March 2013

Signed: Peter Mawson, Chief Executive

**FORM OF STATEMENT OF EFFECT OF PARTS II AND III OF
THE COMPULSORY PURCHASE (VESTING DECLARATIONS)
ACT 1981**

Power to make general vesting declaration

1 The West Northamptonshire Development Corporation (hereinafter called "the Corporation") may acquire any of the land described in the Schedule above by making a general vesting declaration under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981. This has the effect, subject to paragraph 4 below, of vesting the land in the Corporation at the end of the period mentioned in paragraph 2 below. A declaration may not be made before the end of a period of two months from the first publication of a notice which includes this statement except with the consent in writing of every occupier of the land affected.

Notices concerning general vesting declaration

2 As soon as may be after the Corporation make a general vesting declaration, they must serve notice of it on every occupier of any of the land specified in the declaration (except land where there is one of the tenancies described in paragraph 3) and on every person who gives them information relating to the land in pursuance of the invitation contained in any notice. When the service of notices of the general vesting declaration is completed, a further period begins to run. This period, which must not be less than 28 days, will be specified in the declaration. On the first day after the end of this period ("the vesting date") the land described in the declaration will, subject to what is said in paragraph 4, vest in the Corporation together with the right to enter on the land and take possession of it. Every person on whom the Corporation could have served a notice to treat in respect of his interest in the land (other than a tenant under one of the tenancies described in paragraph 3) will be entitled to claim compensation for the acquisition of his interest in the land, with interest on the compensation from the vesting date.

Modifications with respect to certain tenancies

3 In the case of certain tenancies, the position stated above is subject to modifications. The modifications apply where the tenancy is either a "minor tenancy", i.e. a tenancy for a year or a yearly tenancy or a lesser interest, or "a long tenancy which is about to expire". The latter expression means a tenancy granted for an interest greater than a minor tenancy but having on the vesting date a period still to run which is not more than the period specified in the declaration for this purpose (which must be more than a year). In calculating how long a tenancy has still to run, where any option to renew or to terminate it is available to either party, it shall be assumed that the landlord will take every opportunity open to him to terminate the tenancy while the tenant will use every opportunity to retain or renew his interest.

4 The modifications are that the Corporation may not exercise the right of entry referred to in paragraph 2 in respect of land subject to a tenancy described in paragraph 3 unless they first serve notice to treat in respect of the tenancy and then serve every occupier of the land with a notice of their intention to enter and take possession after the period (not less than 14 days from the service of the notice) specified in the notice. The right of entry will be exercisable at the end of that period. The vesting of the land will be subject to the tenancy until the end of that period or until the tenancy comes to an end, whichever happens first.

Every person who, if a general vesting declaration were made in respect of all of the land comprised in the Schedule, would be entitled to compensation in respect of any such land, is invited to give information to the Corporation making the declaration in the prescribed form with respect to his name and address and the land in question. The relevant prescribed form is set out below.

The West Northamptonshire Development Corporation (St Peter's Waterside, Northampton) Compulsory Purchase Order 2012

To: Mr D Harper
West Northamptonshire Development Corporation
PO Box 55
Franklin's Gardens
Weedon Road
Northampton NN5 5WU

[I] [We] being [a person] [persons] who, if a general vesting declaration were made under section 4 of the Compulsory Purchase (Vesting Declarations) Act 1981 in respect of all the land comprised in the compulsory purchase order cited above in respect of which notice to treat has not been given, would be entitled to claim compensation in respect of [all] [part of] that land, give you the following information, pursuant to the provisions of section 3 of that Act.

1 Name and address of informant(s) (i)

2 Land in which an interest is held by informant(s) (ii)

3 Nature of interest (iii)

Signed

[on behalf of]

Date

- In the case of a joint interest insert the names and addresses of all the informants.
- The land should be described concisely.
- If the interest is leasehold, the date of commencement and length of term should be given. If the land is subject to a mortgage or other incumbrance, details should be given, e.g. name of building society and roll number.

Triumph for McKee

BOWLS

NEIL McKee helped England claim victory in the British Isles Indoor Bowls Council International Series in Durham as they defeated Wales, Ireland and Scotland to regain their crown.

The Kingsthorpe IBC member, who has been an England senior international since 2006, was playing at Number Two in a rink skipped by Jamie Chestney, of Galloway IBC. They were joined by Blackpool Newton Hall IBC's Mark Dawes at Lead and Stephen Farish, of Cumbria IBC, at Number Three.

McKee's rink won in all three of England's matches, helping them defeat Wales 138-97, Ireland 121-84 and edge the decider against defending champions Scotland by three shots. The final match saw McKee's rink up against one skipped by five time world indoor champion Alex Marshall, winning 24-18.

Lancaster's double win

SAILING

KEITH Lancaster dominated an eventful second round of the Hollowell Sailing Club Spring Series to take the overall lead in the competition following two race wins.

The first race of the day was cancelled due to the snow making it unsafe for the safety crew to move around their boat.

When racing finally did take place around 1.15pm, the two remaining races had to be run consecutively.

Lancaster, sailing a Solo, claimed first place in both. In the first race, he established a lead on the first beat and although the racing was extremely tight behind, no one could make a dent in this lead.

With the wind increasing in the second race, the final downwind leg was particularly exciting with boats alongside each other at times, although once again Lancaster held on for the win to lead the series ahead of Ian Clark and Stuart Elder.

Sign up for Silverstone

ATHLETICS

SILSON Joggers AC are aiming to beat the 1,100 entrants for last year's Silverstone 10k when they celebrate the 30th anniversary of the race, which takes place on Wednesday, May 8.

The race around the motor racing circuit once again serves as the opening round of the East Midlands Grand Prix series and is organised by the Silson club, as it has been since 1984.

There is an extensive prize list, with cash prizes on offer for anyone breaking the course record or age-category records. The smooth, flat surface also makes it an ideal event for handcycle and wheelchair racers.

An entry form can be found on <http://www.silsonjoggers.org.uk/runningraces/silverstone10k/index.php>. Entries will also be accepted on the night by either cash or cheque, but it is recommended entrants sign up in advance.

Foden faces fight for England place

■ Ben Foden has put his ankle injury behind him (Picture: Andy Kearns)

RUGBY UNION

BY MARC BAZELEY

marc.bazeley@hpnorthants.co.uk

BEN Foden is determined to force his way back into the England reckoning after enduring a frustrating Six Nations which saw him having to watch all of the games from the sidelines.

The Northampton Saints full back struggled with an ankle injury in the build-up to this year's tournament which affected his form, allowing Saracens' Alex Goode to take over as first choice in the 15 shirt for the national team.

It was a frustrating time for Foden, particularly as he missed out on last Saturday's decisive clash with Wales in Cardiff which ultimately ended with England suffering a 30-3 defeat.

"In any big game with anything riding on it and all the hype and ferocity surrounding it, those are the occasions you want to be involved in, especially international rugby because it's a grand stage to be on and big performances can change peoples' perceptions of you," said Foden.

"With Lions tours and England tours coming up, I want to be out there testing myself against some of the best players, but I didn't make selection. I'll go away, work hard at the club and make myself right in terms of my body and then put in some performances to justify my selection."

Not being selected during the Six Nations is a big blow to Foden's hopes of making the British & Irish Lions squad for this summer's tour to Australia, which is announced at the end of next month, but he would

likely be part of England's two-test tour to Argentina in June instead.

The 27-year-old's troublesome ankle forced him to be controversially pulled out of the Saints team to play Gloucester by the England staff at short notice last month, although he admits that was the right call to make.

Foden has since had a steroid injection in his ankle and is now ready to help his side in their challenge for the Aviva Premiership title when the league resumes away to London Wasps on Saturday.

"I haven't had many injuries or operations during my career and the only one I did I bounced back fairly quickly from, so I was sort of expecting the same thing and probably came back a little bit too early," said Foden.

"I went full out as soon as they said I could play again. I was doing all of the training, lifting and whatever I could do, but obviously these things need to be monitored and make sure the healing process is completed, and I didn't really do that."

"With the guys here at Northampton, they held me back from certain sessions, kept me off the high ground and did most of my fitness sessions in the gym so when the weekend comes I'm feeling one hundred percent and hopefully can perform to the best of my ability."

Ben Foden was speaking at a Land Rover team-building day. Land Rover, as the Official Vehicle of Premiership Rugby, is offering you the chance to win an Aviva Premiership Rugby Final hospitality box. To enter visit www.landrover.co.uk/rugbyprizedraw.

North agent confirms talks with Saints

GEORGE North's agent has confirmed the Scarlets winger has been subject of an approach by Northampton Saints and a deal could be concluded sooner rather than later.

The 20-year-old international is one of the hottest prospects in Welsh rugby, bursting on the scene in November 2010 when he became the youngest Wales player to score a try on his debut against South Africa.

North still has a year remaining on his contract with Scarlets and has not asked for a transfer, but his representative Christian Abt confirmed talks have taken place between the Saints and the Llanelli-based regional side.

"I think these things need to happen quite quickly if it's going to happen so that each party knows where they stand," Abt said to the BBC. "It's counter-productive to sort of drag on

and for the player as well to know where he will be, so ideally I'm sure it will resolve itself in the next couple of weeks."

Northampton director of rugby Jim Mallinder confirmed recently he was targeting a new winger for next season, having failed to replace Chris Ashton following his departure to Saracens.

Promising 20-year-old Jamie Elliott has been leading the way for the Saints wide men in recent weeks, but injuries to the likes of Ken Pisi and Paul Diggin have seen the side have to field James Wilson as an emergency wing.

Vasily Artemyev and Noah Cato, who has been loaned to Championship side Newcastle Falcons until the end of the season, are also out of favour and North would be a welcome addition.

Several of Northampton's Premiership rivals and big spending French clubs are also tracking North, who would become the latest high-profile player to leave Wales as the four regional sides continue to struggle financially.

"Unfortunately it's been well documented it's been a difficult time for some of the Welsh regions financially," Abt said.

"They are looking at finding ways to work within a business model which makes financial sense for themselves to go forward and be sustainable in this current market."

"It's not something that we've really actively pursued, it's very much a case of understanding where he is in terms of the situation in Wales and trying to ensure that whatever happens going forward is in his best interests in order to progress his career."

Boothroyd: We owe Oxford one

FOOTBALL

BY MARC BAZELEY

marc.bazeley@hpnorthants.co.uk

AIDY Boothroyd is eyeing a measure of revenge against Oxford United on Saturday as Northampton Town aim to claw back the four point gap which has opened up between them and the League Two automatic promotion places.

Last Saturday's match at Wycombe Wanderers was postponed until April 16 due to a waterlogged pitch at Adams Park, with the weekend's results seeing the Cobblers drop two places to sixth.

Northampton are well on course for at least a place in the play-offs and a win over Oxford at a near-sold out Sixfields would keep the pressure on the top three. The manager is particularly keen to ensure that is the case after a controversial 2-1 defeat at the Kassam Stadium in November.

"We certainly feel we owe them one after what we thought were two goals that shouldn't have been given, but that's gone now and we've got to make sure we get something against them," said Boothroyd.

"The Oxford game is going to be a very good game. They have come into a bit of form, Chris [Wildier] is a good manager and we've got the rivalry there with them."

Clarke Carlisle was also contentiously sent off after picking up two yellow cards in that game and believes the confidence in the squad will carry them through the last eight games successfully.

He spent the weekend moving house after the Wycombe game was postponed and is now looking forward to this match and the home game against Torquay United on Good Friday.

"It was disappointing the game was off because the boys are confident and we really wanted to press home our position," said Carlisle. "But I think the

results from the weekend were quite decent and we're still in a very strong position.

"We're confident of winning any game, but our home record has been fantastic. Coming into these two games we've a real chance to put ourselves into that top three."

"We've been performing consistently and we trust and believe in one another. We know if we continue these performances until the end of the season that we will be successful."

Oxford come into this match believing they have at least an outside chance of sneaking into the play-offs, while Torquay are one of at least six teams battling to avoid being relegated to the Blue Square Bet Premier.

Northampton also have potentially tricky away games at promotion rivals Cheltenham Town and Port Vale coming up in April, along with the rearranged Wycombe game, but Boothroyd is in no doubt they will achieve their aims if they continue the form they have shown in recent weeks.

"It is a key time, but we have got to make sure whoever we play, whether they're top, middle or bottom, that we focus on what we are doing," said Boothroyd. "We need to work hard to maintain our home form and particularly grab that away point or get three points away from home."

"If we maintain what we have done then it should be a successful season, but the time for us to get third, second or first is the last game of the season and there will be lots of twists and turns between then and now."

■ Lewis Wilson made his debut for Bishop's Cleeve in their 2-0 defeat at home to Harrogate Town on Tuesday evening. The Northampton striker has joined the Blue Square Bet North side on loan until the end of the season after being recalled from his spell with Evo-Stik Southern League Premier Division outfit Kettering Town.

Duo a good races bet

HORSE RACING

IN-FORM trainers Jennie Candlish and Tony Middleton could be worth supporting at Towcester next Monday when the action is due to get underway at 2.30pm.

Both handlers had winners at the Northants track last week, Candlish scoring with Party Rock while Middleton was on the mark with Va'Vite who is now being lined up to run in the mares novices' hurdle final at Newbury on Saturday, off a low weight.

Candlish, who is based at Basford near Leek in Staffordshire, was at Cheltenham last week where Cross Kennon was seventh in the World Hurdle with her partner and injured jockey Alan O'Keeffe representing the team at Towcester.

"The horses are all running well now which they weren't a couple of months ago when they just weren't seeing out their races. We are very lucky to have some understanding owners," said O'Keeffe, who suffered fractures to vertebrae in his neck after a fall at Doncaster in January.

Candlish has made no fewer than five initial entries for Monday's card, which from a stable consisting of around 30 horses represents a sizeable focus. While Party Rock is not among them, recent Huntingdon scorer Bob's World could take his chance in the Best Racing Blogs On gg.com Novices' Hurdle at 3.30pm.

Detour Ahead has been running consistently over hurdles all winter, winning at Wetherby just after Christmas and is entered up for the Play Tipzone On gg.com Mares' Handicap Hurdle.

Unbeaten run is over

BASKETBALL

NORTHANTS Thunder's hopes of going through the league season unbeaten were dashed in the final VCARS.co.uk Division Four Midlands Conference regular season game after an overtime defeat at the hands of Sporting Club Albion (West Bromwich).

Thunder were aiming to make it 14 wins from 14 games in their debut season in the England Basketball League and were confident of doing so heading into last Saturday's encounter at the Northants Basketball Centre.

But Albion, coached by former British Basketball League star Clive Allen, had other ideas and edged the first two quarters to lead 35-32 at half time. The visitors had extended their advantage to six points by the end of the third.

Thunder fought back and managed to force overtime after the fourth quarter finished with the teams tied at 77-77. However, it was the away side who prevailed after the extra period, winning 87-85.

Leome Francis led Thunder's scoring with 39 points, with good support coming from Jonny Yates and Jacob Holt with 15 and 12 points respectively. Leon Francis also returned from injury to score 12 points.

Despite the defeat, Thunder had already secured the Midlands Conference title and a home berth in the play-off quarter finals. They host North Conference runners-up Stockport Spartans on Saturday. The winners face either Bracknell Cobras or University of East London NASSA.

Gavin clinches Sebring victory

MOTORSPORT

OLIVER Gavin opened the American Le Mans Series (ALMS) with GT class victory at the 12 Hours of Sebring after an incident-packed race for the Yardley Hastings man and co-drivers Richard Westbrook and Tommy Milner.

Race ace Gavin had given his Corvette Racing team the lead after qualifying second, but after handing over to Westbrook there was a small electrical fire behind the dashboard due to a wiring issue.

That was fixed in the pits, only for Westbrook to then be given a stop/go plus 60 seconds penalty after an incident with another GT car.

However, a storming drive by Milner in the closing stages saw them take the class win.

"Tommy was absolutely brilliant in the last two hours, stringing togeth-

er qualifying lap after qualifying lap, and that combined with some fantastic pit stops from the Corvette Racing guys got us back in the game," said Gavin.

"He put the pressure on the Ferrari until it paid off, seven laps before the end."

"It was a great result for everyone on the team and I'm really, really happy."

It is a case of carrying on where they left off for Gavin and Milner, who clinched the ALMS GT Drivers Championship in 2012. The 40-year-old was particularly pleased with the win after they struggled in the endurance events last year.

"It didn't go right for us at Sebring, Le Mans or Petit Le Mans so there was a lot of focus on this year's race," said Gavin. "It was incredibly hard racing from start to finish and that makes the win even better as well."

Sutil expects tough test in Malaysia

FORMULA ONE

ADRIAN Sutil admits it will be tough to replicate his front-running exploits from the Formula One season opener this Sunday in Malaysia, but is still targeting more than just a mid-field finish.

The driver for Silverstone-based Sahara Force India had two stints out in front during last Sunday's Australian Grand Prix before eventually finishing seventh on his return to the sport after a year out.

Although the race was dry, wet weather earlier in the weekend made for difficult conditions and it is expected there may be some at Sepang over this weekend. Whatever the conditions, Sutil is cautiously optimistic.

"In the rain it's easier sometimes to be at the front and race with the top teams, but in the dry it's more difficult and normally never happens," said the

German driver.

"It's amazing to see that it was possible in Australia and don't forget that Nico [Hulkenberg] led for this team at the final race of last year too."

"There are opportunities, and if you believe in it, you can take those chances. If you don't believe you can win, you will never win."

"It's just an approach, I think. It's important to set your mind."

"It's sometimes hard because we are usually in the midfield, but you should always think a step further."

Team mate Paul di Resta has scored top ten finishes in both of his previous F1 races in Malaysia and expects the team's VJM06 car to be suited to the warm conditions they will encounter.

"We've had a reasonably strong performance for the last couple of years in Malaysia, so I think we should go there feeling quite optimistic," said di Resta, who finished eighth in Australia.

May aims for final flourish as Saints eye play-off spot

RUGBY UNION

BY MARC BAZELEY

marc.bazeley@hpnorthants.co.uk

TOM May insists he is determined to ensure Northampton Saints end the season with the Aviva Premiership trophy - regardless of whether or not his future lies away from Franklin's Gardens.

The 34-year-old centre has been linked with a move to London Welsh in recent weeks and is expected to join the likes of Ryan Lamb, Soane Tonga'uiaha and Brian Mujati in departing the Saints this summer.

May will confirm his plans in the coming weeks, although his focus is firmly on ensuring the Saints finally make it to Twickenham after three consecutive Premiership semi-final defeats.

"Whether lads are staying or leaving, it's always a massive motivation," said May. "There are a lot of guys who have been here for a long time that are leaving. 'We're quite a tight-knit group and we work hard together. To try and provide opportunities for lads who are leaving to leave on a high is always something to work for."

After two weeks without a game following elimination from the LV= Cup, Northampton play the first of their last five league regular season matches away to fellow play-off hopefuls London Wasps on Saturday.

That is followed by the East Midlands Derby at home to Leicester Tigers, while the Saints must also travel to defending champions Harlequins on the final day of the season.

Welsh competition and Heineken Cup at the pool stages means the Premiership is the only honour left to fight for, and Ben Foden insists there will be nowhere to hide if they fail to clinch the title.

"This year there are no excuses, especially with these knock-out games in the Premiership," said Foden. "We have to see each of them as that."

"We've got three teams who we could meet in the semi-finals or final and could knock us out of that

spot, so we need to make sure we are on our mettle and treat every game as a cup final."

Northampton hold a three-point advantage over Wasps and Gloucester in the battle for the fourth and final Premiership semi-final spot heading into this round of matches.

Results over the next two weeks will go a long way to deciding whether or not the Saints will make the title play-offs for the fourth season in a row and May is relish-

ing the prospect of the big games coming up.

"It's not easy because we play the team below us and the team above us in the space of two weeks," said May.

"But these are the fixtures we look forward to both as a group and as individuals."

"That's where we want to be testing ourselves, so if you want to be in with a chance of winning things these are the games you want to be coming out on top in."

NSB stand on verge of history as Twickenham cup final beckons

NORTHAMPTON School for Boys head to Twickenham on Saturday where they will battle it out with defending champions Dulwich College to be crowned Daily Mail RBS Under-18 Cup champions.

NSB reached the final of the national competition for the first time in their history after coming from 10-0 down to defeat Warwick 13-10 thanks to two Conor Bullivant penalties and a converted Ollie Hartfield try.

The team have received coaching from former Northampton Saints fly half Paul Grayson in the lead up to the game, while current Saints and England star Courtney Lawes has organised a special strip for his old school.

"It's a busy week off-field as well as on-field," said NSB coach Mark Lee.

"We are trying to keep things as normal as we possibly can. We have tried to ensure that the itinerary for the week is not much different to what we normally do to help us maintain our composure."

NSB have a long history of producing talented rugby players.

Other Old Northamptonians to have made their mark in the sport include Paul Diggin, Steve Thompson and Bob Taylor.

The current crop can achieve something no other team from the school has done before by lifting the Daily Mail Cup, but they must find a way past a Dulwich side who are aiming to become the fifth side to retain the title.

"Dulwich know their way to Twickenham," said Lee. "It's the first time for us, but I have spoken a lot about the desire and mindset of this side. We have a good defensive record and we are not going to roll over."

"I'm quite happy not to be going as favourites. But we are certainly not going there just to make up the numbers, we are going there to have a tilt at the trophy."

Watch the inches fall off

Angela, Lost 8 Inches in 6 sessions!

Having spent a small fortune on gym membership I was conscious of the fact that I still hadn't managed to shift my 'love handles'. Having researched many different options, and having had a free consultation at Slim N Tone, I decided to go with the Ultrasonic Lipo slimming treatment as it was well within my budget and

totally painless. On completion of the course I immediately felt a great deal of joy at the weight loss I had achieved and knowing I had finally achieved the body I had been dreaming of.

Mark, Lost 6 inches in 4 sessions!

"When I visited Slim N Tone for my weight loss treatment I was nervous but the staff made me feel very welcome. Once I started my first Ultrasonic Lipo session I immediately felt relaxed and at ease. Now that I have completed my course of weight loss treatment, without having to endure surgery or pain, my confidence has increased dramatically and the fat loss results have been immediate."

Ultrasonic LIPO FAT Reduction Results

Slimming Treatment on Thighs

It is typical that as we get older, a build-up of cellulite and fatty tissue can become a problem. Ultrasonic lipo can reduce this fat tissue and boost confidence when wearing shorts, skirts or beachwear. Targeting fat build-up on the thighs can certainly make you feel better about yourself!

Fat Reduction on Bottom

Cellulite and fatty tissue is another common problem around the buttocks. Our slimming clinic will often treat this area at the same time as the legs and thighs to achieve maximum fat loss. Again a welcome confidence booster. As your treatment progresses your smile becomes wider!

Ultrasonic Lipo Treatment to the Back and Hips

Slim N Tone's weight loss treatments can target specific areas of fat, meaning that ongoing slimming treatments can be the most productive solution. Why not get things started with your thighs, gradually moving onto your legs and finishing with your lower back.

Fat Loss in the Stomach Area

Along with fat loss treatments to the thighs and buttocks, treating the stomach area for weight loss using Ultrasonic Lipo is incredibly popular.

An extremely common goal for women following the birth of a child is to regain one's body shape and lose weight. The stomach can be one of these key target areas for fat reduction. Ultrasonic Lipo can help reduce banding and fat build-up that would otherwise be hard to shake off.

Targeting weight loss throughout the Body

Ultrasonic Lipo treatment is completely non-intrusive. Therefore fat loss can be tackled throughout the body without discomfort. Following this fat loss treatment, a sensible regime of exercise, water intake and a low calorie diet can contribute to keeping your rejuvenated body shape.
